

October is Bring a Friend month at Dance Dimensions. This is a great way to share the fun in class with friends, cousins, neighbors and others. We invite you to bring a friend or two every week in October if you like! Of course some friends may want to continue the fun all year long and join the class. If they do we have cool stuff for you:

- 1 Friend joins = Free Water Bottle
- 2 Friends join = Free Dance T-Shirt

Also enjoy our fun Halloween Parties the last class in October. Wear a costume and bring a goody to share.  
Apple juice provided.
